USPA NEWS - Liaquat Ali MBE
Chairman, UK Pakistani Kashmiri Councillors Forum
Attended and spoke at a Seminar at Pakistan High Commission London. Where we marked six painful years since 05 August 2019, when India took illegal and unilateral steps in Indian Illegally Occupied Jammu & Kashmir—an assault on the identity, dignity, and rights of the Kashmiri people, in defiance of UN Security Council Resolutions and international law.

Since then, over 8 million Kashmiris have endured a relentless siege:
• Communications blackouts,
• Arbitrary detentions and custodial killings,
• Sexual violence and harassment,
• Targeting of youth, leaders, and human rights defenders.

This is not just a political dispute—it is a grave humanitarian crisis.

when India took illegal and unilateral steps in Indian Illegally Occupied Jammu & Kashmir—an assault on the identity, dignity, and rights of the Kashmiri people, in defiance of UN Security Council Resolutions and international law.

Since then, over 8 million Kashmiris have endured a relentless siege:
• Communications blackouts,

• Sexual violence and harassment,
• Targeting of youth, leaders, and human rights defenders.

This is not just a political dispute—it is a grave humanitarian crisis.

Yet, the courage and resilience of the Kashmiri people remain unbroken. Their struggle for justice and self-determination continues to inspire us all.

We call on the international community to:
• End human rights violations in IIOJK,
• Restore civil liberties and media freedoms,
• Allow international observers,
• And honour the UN promise of a free and fair plebiscite.

On behalf of the U.K. Pakistani Kashmiri Councillors I reaffirm our unwavering solidarity with the people of Jammu & Kashmir.

Truth cannot be silenced. Justice cannot be buried. Freedom cannot be denied.
